

Take your class hiking in the mountains!

Topanga Canyon Docents School Walks Grades 2 - 5

Topanga State Park Santa Monica Mountains

- ☘ 13,000 acres of wild land located entirely within the city limits of Los Angeles
- ☘ Field Trips are available October through May.
- ☘ Bus scholarships may be available on a first-come, first-serve basis. Please inquire.
- ☘ Topanga State Park is on the LAUSD approved field trip list.

Standards Based Interpretation: We offer docent/naturalist-led field trips that are aligned to curricular standards in the areas of language arts, social studies, and science.

Classroom follow-up visits can be arranged.
